## SUPREME COURT BUILDING

CIVIC CENTER, NEW ORLEANS, LA.

These excellent sets include WALL PANELING, FLOORING, CASEWORK, and other woodwork of the new Supreme Court Building.

When a public building is constructed to serve for a century or more, the architect must be of equal quality, beauty and lasting merit. That is why Riecke has been honored with so many contracts of this type.

*Riecke fabricated and installed the  
JUDGE'S ENCLOSURE, WALL PANELING AND RAILINGS*

*in the main courtroom of the new Supreme Court Building*
